

HIPSTER GLYCERIN FILLED STRAW W/ STRAIGHT TUBE STRAW07 1CT

About the product

Experience smoother, cooler draws with the Hipster Glycerin-Filled Straw featuring a sleek straight tube design. The glycerin-filled body is designed to be frozen before use, delivering icy-cold hits that enhance your smoking experience by reducing heat and harshness. Its minimalist straight tube design ensures efficient airflow and effortless handling.

Key Features:

- Glycerin-filled body: Freeze before use for refreshing, chilled hits
- Straight tube design: Sleek and simple for smooth airflow
- Durable construction: Built for consistent, long-lasting performance
- Portable and lightweight: Ideal for both at-home and on-the-go use
- Easy maintenance: Simple to clean and care for

Elevate your sessions with the Hipster Glycerin-Filled Straw — where simplicity meets advanced cooling technology.
