

HIPSTER GLYCERIN FILLED STRAW W/ COIL PERC STRAW08 1CT

About the product

Enjoy the ultimate cooling and smoothness with the Hipster Glycerin-Filled Straw, featuring an innovative coil percolator for advanced filtration. The glycerin-filled body allows you to freeze the straw before use, delivering icy-cool hits and reducing harshness for an elevated smoking experience. The elegant coil perc enhances airflow and filtration, ensuring smoother, cleaner draws.

Key Features:

- Glycerin-filled design: Freeze before use for cool, refreshing hits
- Coil percolator: Optimized filtration for smoother, enjoyable sessions
- Durable build: High-quality materials for long-lasting use
- Portable design: Perfect for both home and on-the-go use
- Easy to clean: Simple maintenance for hassle-free care

Upgrade your sessions with the Hipster Glycerin-Filled Straw — where innovation meets smooth, chilled satisfaction.
