

HIPSTER GLYCERIN FILLED STRAW W/ IN-LINE PERC STRAW09 1CT

About the product

Upgrade your smoking experience with the innovative Hipster Glycerin-Filled Straw, featuring an in-line percolator for smoother, cooler hits. The glycerin-filled design allows you to pre-freeze the straw, providing superior cooling for a chilled, enjoyable session. The in-line perc enhances filtration, ensuring clean and flavorful draws every time.

Key Features:

- Glycerin-filled design: Freeze for a cool, refreshing smoking experience
- In-line percolator: Advanced filtration for smoother hits
- Durable construction: Built to withstand regular use
- Stylish and portable: Perfect for on-the-go sessions
- Easy maintenance: Simple to clean and care for

Experience enhanced cooling, smoother filtration, and modern design all in one with the Hipster Glycerin-Filled Straw.
