

SCORCH TORCH BENDABLE ANGLE TORCH - STDS178 9CT/ DISPLAY

About the product

The Scorch Torch Bendable Angle Torch is a versatile and durable tool designed for precision and flexibility. With its adjustable, bendable neck, you can easily direct the flame where it's needed most, making it ideal for a wide range of tasks, including lighting cigars, culinary applications, crafting, and more. This torch offers both style and high-performance reliability in one convenient package.

Key Features:

- Bendable Neck: Flexible design allows you to adjust the angle of the flame for precision and ease.
- Powerful Flame: Wind-resistant and adjustable flame for consistent and reliable performance.
- Durable Construction: Made with high-quality materials to ensure long-lasting use.
- Easy Ignition: Quick and efficient ignition system for fast, hassle-free lighting.
- Ergonomic Design: Comfortable grip for improved handling during extended use.
- 9 Count Display: Perfect for retail environments or bulk purchasing.

Whether you're using it for everyday tasks or specialized applications, the Scorch Torch Bendable Angle Torch provides the ultimate control and performance in a compact, user-friendly design.
