

SILICONE NECTAR COLLECTOR 420 NCS301 1CT

About the product

Enjoy a smooth and hassle-free dabbing experience with the Silicone Nectar Collector 420. Designed for portability and durability, this nectar collector is made from high-quality, heat-resistant silicone, making it perfect for on-the-go use. The compact design allows for easy handling, while the included titanium or quartz tip ensures optimal heat retention for efficient vaporization.

Key Features:

- Durable & Heat-Resistant Silicone for long-lasting use.
- Portable & Lightweight – ideal for travel and daily use.
- Easy to Clean & Maintain for a hassle-free experience.
- Compatible with Wax & Concentrates for a smooth dabbing session.
- 420-Themed Design for a stylish touch.

Upgrade your dabbing setup with the Silicone Nectar Collector 420—a perfect combination of convenience, durability, and performance!
