

LOCKMAN BRASS BLISTER PACK 20MM 1 CT

About the product

Secure your everyday essentials with the compact and dependable Lockman 20mm Brass Padlock. Built with a solid brass body and a hardened steel shackle, this padlock offers reliable protection for small items like lockers, travel bags, cabinets, and toolboxes. Packaged in a convenient blister pack for easy handling and display.

- 20mm Solid Brass Body – Corrosion-resistant and built for durability
- Hardened Steel Shackle – Enhances cut resistance and security
- Smooth, Easy Operation – Precision locking mechanism with 2 included keys
- Ideal for Light-Duty Use – Perfect for securing personal or travel items
- Retail-Ready Blister Pack – Great for store shelves or organized storage
