

## LOCKMAN BRASS BLISTER PACK 25MM 1 CT

### About the product

Keep your valuables safe and secure with the Lockman 25mm Brass Padlock. Featuring a solid brass body and a durable steel shackle, this compact padlock is ideal for small to medium security needs such as backpacks, luggage, lockers, toolboxes, and more. Its corrosion-resistant design ensures long-lasting protection indoors or out.

- 25mm Solid Brass Body – Strong, rust-resistant construction for everyday use
- Hardened Steel Shackle – Enhanced strength and cut resistance
- Reliable Locking Mechanism – Smooth operation with precision security
- Perfect for Light-Duty Security – Great for bags, cabinets, lockers, and more
- Blister Pack Packaging – Retail-ready and easy to store
