

BUTT BUCKET LED 3D RESIN 6CT/ DISPLAY

About the product

Light up your smoke sessions with the Butt Bucket LED 3D Resin Ashtray, a vibrant and eye-catching accessory designed for both function and style. Crafted from durable resin, each ashtray features 3D designs with built-in LED lighting, creating a glowing effect that's perfect for nighttime use or adding flair to your setup.

Product Features:

- 3D Resin Design - Unique sculpted look that stands out
- Built-in LED Light - Illuminates the ashtray for added visibility and style
- Durable Construction - Made from high-quality resin for long-lasting use
- Odor-Reducing Bucket Style - Helps trap smoke and ash, minimizing smell
- Perfect for Parties or Personal Use - A fun and functional smoking accessory
- 6 Count Display - Ideal for resale or bulk stocking

Add a glow to your smoke breaks with this artistic and practical butt bucket - where form meets function.
