

BANANA BOAT COOLING AFTER SUN GEL 8OZ 1CT

About the product

Soothe and refresh your skin after sun exposure with Banana Boat Cooling After Sun Gel. Formulated with aloe and a cooling effect, this gel helps hydrate and calm skin, reducing redness and irritation from the sun. Ideal for use after a day at the beach or outdoor activities, it provides instant relief and leaves skin feeling cool and moisturized.

- Aloe-Infused Formula - Helps hydrate and soothe sunburned or irritated skin
- Cooling Sensation - Instantly refreshes and cools skin for a calming effect
- Moisturizing & Hydrating - Keeps skin soft and nourished after sun exposure
- Non-Greasy Texture - Quickly absorbs without leaving a sticky residue
- Ideal for Sunburn Relief - Great for use after sunbathing, outdoor sports, or beach days

A must-have for your post-sun care routine to keep your skin feeling comfortable and rejuvenated.
