

PUFFCO PEAK PORTABLE DAB E-RIG

About the product

Experience the future of concentrate consumption with the Puffco Peak – a revolutionary portable e-rig that delivers smooth, flavorful hits without the hassle of a traditional setup. With intelligent heat calibration, fast heat-up time, and a sleek design, the Peak is perfect for both beginners and seasoned dabbers.

- 4 Unique Heat Settings – Customize your session from flavor-focused to heavy-hitting
- 20-Second Heat-Up Time – Enjoy quick, efficient dabs with minimal wait
- Smart Temperature Calibration – Delivers consistent performance every time
- Hand-Blown Glass & Rugged Base – Combines elegance with durability
- Intuitive LED Light Band & Haptic Feedback – Easy-to-use, high-tech functionality
- Long-Lasting Battery – Up to 30 sessions per charge with USB-C fast charging
