

GRINDER 3PART 52MM ZINC ALLOY LF GRD4628 1CT

About the product

Enhance your grinding experience with the 3-Part 52mm Zinc Alloy Leaf Grinder. Crafted from premium zinc alloy, this grinder features a sleek and detailed leaf design, adding a touch of nature-inspired style to your collection. The 3-part construction includes sharp, diamond-shaped teeth for a smooth and efficient grind, a middle compartment for storage, and a mesh screen for sifting and collecting kief. Its compact size makes it portable, while the sturdy build ensures durability for long-lasting use.

- Material: High-Quality Zinc Alloy
- Size: 52mm Diameter
