

ALEAF KIT S - 14MM MALE 90DEG LFQBP16-90-14MM 1CT

About the product

Upgrade your dab rig with the ALEAF KIT S, a sleek and efficient quartz banger designed for reliable performance and smooth hits. This 14mm male quartz banger features a 90-degree joint for compatibility with rigs of matching configuration. Precision-crafted from high-quality quartz, the KIT S delivers excellent heat retention and a clean, flavorful vapor every time.

Product Features:

- Joint Size: 14mm Male
- Joint Angle: 90 Degrees
- Material: High-Grade Quartz
- Durable Build: Designed for long-term use with excellent thermal resistance
- Clean Flavor: Quartz surface ensures a pure taste with every dab
- User-Friendly: Easy to handle, clean, and fits most standard 14mm rigs

Whether you're a daily dabber or just getting started, the ALEAF KIT S brings quality and value to your concentrate setup.
