

NECTAR COLLECTOR 10MM - NC09-10M 1CT

About the product

Enjoy portable and powerful dabbing with the 10mm Nectar Collector (NC09-10M)—a convenient and efficient way to consume concentrates on the go. Designed for ease of use and maximum flavor, this compact nectar collector features a 10mm joint compatible with standard tips and accessories. Ideal for quick sessions, it delivers clean, direct hits without the need for a full rig setup.

Product Features:

- Joint Size: 10mm
- Portable Design: Perfect for travel or discreet use
- Efficient Vaporization: Direct-tip dabbing for minimal waste and full flavor
- Durable Construction: Built from high-quality materials for long-term use
- Easy to Use & Clean: Simple design makes maintenance a breeze

A must-have for concentrate users who value convenience without compromising performance.
