

AIM FLOSS PICKS 60CT

About the product

Keep your smile fresh and clean with AIM Floss Picks. Designed for convenience and effective cleaning, these easy-to-use floss picks help remove plaque and food particles from between teeth and along the gumline. The durable floss resists shredding, while the curved pick end helps reach tight spaces for a deeper clean.

Perfect for home, travel, or on-the-go oral care, this 60-count pack is a must-have for maintaining daily dental hygiene.

Features:

- 60 durable floss picks per pack
- Helps remove plaque and food debris for a cleaner mouth
- Easy-grip handle for better control and comfort
- Built-in pick end for hard-to-reach areas
- Ideal for home use or travel

AIM Floss Picks – simple, effective, and essential for a healthy smile every day.
