

WHITE RHINO ADJUSTABLE DOWNSTEM ASST. COLORS - WRADS01 1CT

About the product

The White Rhino Adjustable Downstem is a versatile and durable accessory designed to fit a wide range of water pipes. Made from high-quality glass, this downstem features an innovative adjustable design that extends to your desired length for a custom fit. With precision-cut slits for smooth diffusion and an easy-to-use mechanism, it's ideal for enhancing your smoking experience. Each piece comes in assorted vibrant colors, adding a touch of personality to your setup.

Features:

- Adjustable length for a universal fit
- High-quality, heat-resistant glass construction
- Slitted design for better smoke diffusion
- Easy to clean and maintain
- Comes in assorted colors (color selected at random)
