

SCORCH TORCH 45DEG NOZZLE W/ RING ROCKET TRIGGER - STDS208 9CT/ DISPLAY

About the product

The Scorch Torch 45° Nozzle with Ring Rocket Trigger – STDS208 combines powerful performance with a sleek, ergonomic design. Featuring a 45-degree angled nozzle for precise flame control and a unique ring-style rocket trigger for quick, effortless ignition, this torch is perfect for lighting cigars, culinary use, crafts, and more. Its wind-resistant jet flame ensures reliability in any environment, while the refillable butane system offers long-term use. With 9 torches per display, it's ideal for personal use or retail settings.

Key Features:

- 45° angled nozzle for enhanced precision and control
- Unique ring rocket trigger for fast, easy ignition
- Wind-resistant single jet flame
- Refillable butane system (butane not included)
- Includes 9 torches per display – great for gifting or resale

A stylish and functional torch lighter designed for users who demand accuracy, comfort, and standout performance.
