

CHROMIUM CRUSHER 2.2" GRINDER 4 PART GRC7502 1CT

About the product

The Chromium Crusher 2.2" Grinder - GRC7502 is a durable and efficient 4-part grinder designed for optimal herb preparation. Constructed from high-quality zinc alloy, it features sharp diamond-shaped teeth that deliver a smooth, consistent grind every time. The four-part system includes a magnetic lid for a secure seal, a fine mesh screen for pollen filtering, and a bottom chamber for collection with a scraper tool included. With its 2.2-inch diameter, this grinder offers the perfect balance between portability and capacity.

Key Features:

- 4-piece design with mesh screen and pollen chamber
- Made from premium zinc alloy for lasting durability
- Sharp diamond-shaped teeth for smooth grinding
- Strong magnetic lid prevents spills and keeps herbs fresh
- 2.2" diameter - ideal for everyday use
- Includes scraper tool for easy pollen collection

A reliable, high-performance grinder built for users who value consistency, quality, and convenience.
