

## CHROMIUM CRUSHER GRINDER 4PART 65MM - GRC1325 1CT

### About the product

The Chromium Crusher 4-Part Grinder - 65mm - GRC1325 is a high-quality, heavy-duty herb grinder built for smooth, efficient grinding every time. Crafted from durable zinc alloy, this 4-piece grinder features sharp diamond-shaped teeth for effortless shredding, a magnetic lid for secure closure, a fine mesh screen for pollen filtration, and a spacious bottom chamber for collection. Its 65mm diameter offers ample capacity while maintaining a sleek, portable design.

#### Key Features:

- 4-piece construction with pollen catcher and scraper
- Made from heavy-duty zinc alloy for long-lasting durability
- Precision-engineered diamond-shaped teeth for smooth grinding
- Strong magnetic lid to prevent spills and maintain freshness
- 65mm diameter - perfect size for both personal and group use

A trusted choice for those who demand quality, performance, and style in every grind.
