

CHROMIUM CRUSHER 2.0" GRINDER 4 PART GRC7503 1CT

About the product

The Chromium Crusher 2.0" Grinder - GRC7503 is a premium 4-part grinder crafted for durability and performance. Made from heavy-duty zinc alloy, this grinder features razor-sharp diamond-shaped teeth that effortlessly shred herbs for a smooth and consistent grind. The four-part design includes a magnetic lid for secure closure, a mesh screen for pollen collection, and a bottom chamber with a scraper tool. Compact and efficient, it's the perfect companion for anyone who values quality and precision.

Key Features:

- 4-part design with precision grinding and pollen catcher
- Durable zinc alloy construction for long-lasting use
- Sharp diamond-shaped teeth for effortless grinding
- Magnetic lid for a secure, spill-free experience
- 2.0" diameter - compact and travel-friendly
- Includes pollen scraper for easy collection and cleaning

Ideal for everyday use, the Chromium Crusher delivers consistent results with a rugged build you can count on.
