

## SCORCH TORCH ADJUSTABLE NOZZLE SINGLE FLAME - STDS195 6CT/ DISPLAY

### About the product

The Scorch Torch Adjustable Nozzle Single Flame – STDS195 is the perfect blend of power, control, and portability. Featuring a strong single jet flame and an adjustable nozzle, this torch offers precise flame control for lighting cigars, candles, or for use in kitchens, workshops, and outdoor settings. Its ergonomic design ensures a comfortable grip, while the refillable butane system provides long-lasting use. Built for efficiency and reliability, it's an essential tool for everyday tasks.

#### Key Features:

- Powerful single flame with adjustable nozzle
- Wind-resistant flame for indoor or outdoor use
- Compact and ergonomic for easy handling
- Refillable butane system (butane not included)
- Includes 6 torches per display – great for retail or personal use

A compact and dependable torch lighter built for precision and convenience.
