

## **SCORCH TORCH ADJUSTABLE NOZZLE W/ TRIGGER LOCK - STDS196 9CT/ DISPLAY**

### About the product

The Scorch Torch Adjustable Nozzle with Trigger Lock – STDS196 is built for safety, control, and high performance. Featuring an adjustable nozzle, this torch allows you to fine-tune the flame for precision lighting—perfect for cigars, culinary use, crafts, or outdoor tasks. The built-in trigger lock enhances safety and offers hands-free use when needed. With a solid construction, ergonomic grip, and refillable design, this torch is as reliable as it is versatile.

#### Key Features:

- Adjustable nozzle for customized flame control
- Trigger lock for added safety and hands-free operation
- Wind-resistant jet flame for consistent performance
- Refillable butane system (butane not included)
- Includes 9 torches per display – ideal for personal or retail use

A powerful and user-friendly torch lighter designed for those who value precision, safety, and convenience.
