

SCORCH TORCH 90DEG NOZZLE W/ PUSH BUTTON - STDS197 6CT/ DISPLAY

About the product

The Scorch Torch 90° Nozzle with Push Button - STDS197 delivers precision, power, and ease of use in a compact design. Featuring a right-angle (90°) nozzle, this torch provides enhanced control and safety—ideal for lighting cigars, pipes, or for use in kitchens, workshops, or outdoor settings. The easy push-button ignition ensures quick and reliable lighting, while the refillable butane system supports long-term use. With a sturdy build and ergonomic design, this torch is built for convenience and performance.

Key Features:

- 90° angled nozzle for targeted flame control
- Simple push-button ignition for easy use
- Wind-resistant flame for outdoor or indoor use
- Refillable butane system (butane not included)
- Includes 6 torches per display - great for retail or gifting

A powerful and practical torch lighter designed for precision and reliability in any situation.
