

CHILLUM DICHRO ART CH2023 1CT

About the product

The Chillum Dichro Art CH2023 is a beautifully crafted glass chillum featuring vibrant dichroic accents that shimmer and shift as they catch the light. Made from thick, durable glass, this chillum offers smooth airflow, reliable performance, and a premium artistic touch.

Each piece showcases its own unique combination of colors and patterns, making it both a functional smoking tool and a collectible art piece. Compact and easy to carry, it's perfect for everyday or on-the-go use.

Key Features

- Stunning dichroic glass design with reflective color-shifting effects
- Heavy-duty, heat-resistant glass for long-lasting use
- Smooth, clean airflow for satisfying hits
- Pocket-sized and portable
- Each piece is uniquely handcrafted
- Sold as 1CT single unit
