

QUARTZ BANGER CUT 2MM POLY BANGER QBP02-14M/ 19M

About the product

Upgrade your dab setup with the Quartz Banger Cut 2mm Poly Banger – QBP02, engineered for exceptional heat retention, durability, and smooth vapor production. Made from premium high-quality quartz, this banger heats evenly and maintains temperature longer, allowing concentrates to fully vaporize without burning.

Designed with a 2mm thick wall for strength and optimal heat control, the QBP02 features a precise flat-cut edge that pairs perfectly with carb caps for improved airflow and vapor efficiency. Available in 14mm Male and 19mm Male joint sizes, it fits most standard dab rigs and water pipes.

Whether for daily use or resale, this quartz banger delivers both performance and value — a must-have accessory for dab enthusiasts.

Features & Benefits:

- Premium quartz construction for superior heat resistance
- 2mm thickness provides excellent durability and temperature stability
- Flat-cut top ensures ideal seal with carb caps for maximum vapor control
- Available in 14mm Male & 19mm Male sizes to fit a wide range of rigs
- Smooth, clean vaporization with no unwanted flavor
- Easy to maintain and clean for long-term use
