

ROLAIDS ADVANCED WILD BERRY 12CT/ PACK

About the product

Experience fast, powerful heartburn relief with Rolaid's Advanced Wild Berry. Formulated to neutralize acid 2x faster, these antacid tablets provide quick support for heartburn, sour stomach, acid indigestion, and gas discomfort. The smooth, wild berry flavor makes relief refreshing and easy anytime, anywhere.

Rolaid's Advanced combines Calcium Carbonate + Magnesium Hydroxide for dual-action performance — fighting acid while also relieving gas pressure and bloating. Conveniently packed in a 12-count travel-friendly pack, it's perfect for home, office, travel, or on-the-go relief.

Features & Benefits:

- Fast-acting dual relief for heartburn & gas
- Wild berry flavored chewable tablets
- Helps relieve acid indigestion, sour stomach & bloating
- Doctor-trusted ingredients: Calcium + Magnesium
- Portable 12-count pack great for travel and everyday use
- Safe and easy to chew — no need for water
