

GRINDER HIPSTER 4-PART 40MM GRD5554 1CT

About the product

The Hipster 4-Part 40MM Grinder GRD5554 is engineered for smooth, effortless herb grinding in a compact and stylish design. Made from durable metal with razor-sharp diamond teeth, it ensures a consistent and fluffy grind every time. Its 4-layer system includes a magnetic lid, precision grinding chamber, fine mesh screen, and kief catcher for maximum efficiency and convenience.

Key Features

- 40MM compact size – perfect for pocket or travel use
- 4-part metal body for durability and long-term performance
- Diamond-cut grinding teeth for a smooth and even grind
- Magnetic top lid prevents accidental spilling
- Mesh filter screen separates fine pollen efficiently
- Bottom compartment collects kief for later use
- Stylish Hipster series design
- Sold as 1 Count (1CT)
