

WHITE RHINO GLASS HONEYCOMB SCREEN - WRGLSC07 100CT/ PACK

About the product

Add elegance and protection to your smoking essentials with the Cigarette Case King's Floral Design – PCB98. This beautifully crafted case features a premium floral design that combines fashion with function. Designed to fit King's size cigarettes, it keeps them safe from bending, crushing, and moisture while maintaining freshness.

The slim and lightweight build slides easily into pockets, purses, or bags, making it ideal for customers who love stylish, practical accessories. Built from durable materials, it offers long-lasting use with a secure closure system that ensures cigarettes stay intact wherever you go.

Perfect for stores and smoke shops, this product comes packed in a 12CT display, making it a great countertop or shelf item that attracts attention and boosts sales.

Features:

- **Elegant Floral Design** - Trendy and eye-catching pattern
- **Fits King's Size Cigarettes** - Offers secure and organized storage
- **Protective Hard Case** - Prevents crushing, bending, and moisture exposure
- **Portable & Lightweight** - Easy to carry in pockets or handbags
- **Secure Closure** - Keeps cigarettes safe and contained
- **12CT Retail Display** - Perfect for smoke shops, convenience stores, and boutiques
