

## CLIPPER LIGHTER 3 TIER DISPLAY 144 CT

### About the product

Upgrade your sales counter with the Clipper Lighter 3-Tier Display, featuring 144 genuine Clipper refillable lighters in assorted colors and designs. Perfect for convenience stores, smoke shops, and gas stations, this pre-filled display provides high-visibility merchandising and strong impulse-buy appeal. Clipper lighters are well-known for their refillable design, replaceable flints, and eco-friendly build, making them one of the most popular reusable lighters in the world. Customers love their reliability, smooth ignition, and iconic removable flint system — perfect for packing and rolling.
