

ASH CATCHER WITH INLINE SKULL 90-DEGREE AC1202-90-14M 1CT

About the product

Upgrade your water pipe setup with the Inline Skull Ash Catcher. Designed with a striking skull percolator and a 90-degree angle, this ash catcher helps filter ash and debris before it reaches your main piece, keeping your bong cleaner and your hits smoother. Made from durable glass, it also adds an eye-catching visual element to any setup.

Perfect for smoke shops, head shops, and premium glass accessory displays.

Product Features:

- Inline Skull Percolator - Enhanced filtration and unique design
- 90-Degree Joint Angle - Ideal for beaker-style water pipes
- 14mm Male Joint - Universal fit with most standard rigs
- Improves Cleanliness - Traps ash and residue before it enters the bong
- High-Quality Glass Construction - Heat-resistant and easy to clean
