

SILICONE HAND PIPE ALEAF SP266 1CT

About the product

Enjoy durability and convenience with the Aleaf Silicone Hand Pipe (SP266). Made from high-quality, heat-resistant silicone, this hand pipe is designed to withstand drops and everyday use—perfect for travel or on-the-go sessions.

Compact and easy to handle, the SP266 model offers a smooth draw while being simple to clean and maintain. Its flexible construction makes it a reliable alternative to traditional glass pipes. Key Features:

- Durable, heat-resistant silicone construction
- Compact hand pipe design
- Drop-resistant and travel-friendly
- Easy to clean and maintain
