

GRINDER 4 PART 62MM GRINDER GRD6042 1CT

About the product

Power through larger sessions with the 4-Part 62mm Grinder (GRD6042). Built for performance and capacity, this grinder features a classic 4-piece design with sharp teeth for a smooth, consistent grind, a fine mesh screen, and a bottom pollen catcher. The larger 62mm diameter offers added grinding space and a comfortable grip. Ideal for smoke shops, head shops, and premium accessory displays.

Product Features:

- 4-Part Construction - Grinder, screen, and pollen catcher
- 62mm Diameter - Large size for higher capacity grinding
- Sharp Grinding Teeth - Efficient and even results
- Durable Build - Made for long-lasting use
- Easy Twist Design - Smooth operation and simple cleaning
