

GRINDER 4 PART 50MM ZINC GRD4638 1CT

About the product

Get reliable performance with the 4-Part 50mm Zinc Grinder (GRD4638). Made from durable zinc alloy, this grinder offers a solid feel and long-lasting use. Its 4-piece design includes sharp grinding teeth, a mesh screen, and a bottom pollen catcher to deliver smooth, consistent results. The 50mm size strikes the perfect balance between capacity and portability. Ideal for smoke shops, head shops, and everyday accessory displays.

Product Features:

- 4-Part Construction - Grinding chamber, screen, and pollen catcher
- 50mm Diameter - Balanced size for daily use
- Zinc Alloy Material - Strong, durable, and corrosion-resistant
- Sharp Teeth - Ensures an even and efficient grind
- Easy to Use & Clean - Smooth twist operation
