

GRINDER 4 PART 42MM GRINDER GRD6041

About the product

Keep your grind smooth and consistent with the 4-Part 42mm Grinder (GRD6041). Designed for efficiency and durability, this compact grinder features a classic 4-piece construction with sharp teeth for an even grind, a built-in mesh screen, and a bottom pollen catcher. Its 42mm size makes it perfect for everyday use while staying portable.

Ideal for smoke shops, head shops, and accessory displays.

Product Features:

- 4-Part Design - Grinding chamber, mesh screen, and pollen catcher
- 42mm Diameter - Compact, portable, and easy to handle
- Sharp Grinding Teeth - Delivers a smooth, consistent grind
- Durable Construction - Built for long-term use
- Easy to Open & Clean - Simple twist design
