

SCORCH TORCH SINGLE FLAME TITIAN METAL TORCH - STDS214 9CT/ DISPLAY

About the product

Built for durability and sleek style, the Scorch Torch Single Flame Titanium Metal Torch delivers powerful performance with a premium metallic finish. Featuring a strong single jet torch flame and a solid titanium-look metal body, this lighter offers reliable ignition for cigars, candles, grills, and everyday torch use. Packaged in a 9-count retail-ready display, it's an excellent upscale option for smoke shops and specialty retailers.

Product Features:

- Single Jet Torch Flame – Powerful, focused flame for quick, consistent lighting
- Titanium Metal Finish – Premium look with durable construction
- Wind-Resistant Performance – Reliable indoors and outdoors
- Refillable Butane Lighter – Reusable and cost-effective
- Solid, Heavy-Duty Feel – Designed for long-term use
- Compact & Stylish Design – Great balance of form and function
