

SCORCH TORCH SINGLE FLAME CYLINDRICAL - STDS220 9CT/ DISPLAY

About the product

Sleek, simple, and powerful—the Scorch Torch Single Flame Cylindrical Lighter delivers reliable performance in a classic round design. Built with a strong single jet torch flame, this lighter is perfect for cigars, candles, grills, and everyday lighting needs. The compact cylindrical shape offers a comfortable grip, while the 9-count retail display makes it ideal for countertop sales in smoke shops and convenience stores.

Product Features:

- Single Jet Torch Flame – Focused, powerful flame for quick ignition
- Cylindrical Body Design – Classic shape with comfortable handling
- Wind-Resistant Flame – Reliable performance indoors and outdoors
- Refillable Butane Lighter – Reusable and cost-effective
- Durable Construction – Designed for daily use
- Compact & Portable – Easy to carry in pocket or bag
