

HIPSTER GLYCERIN FILLED STRAW W/ USA COLOR WIG WAG MUSHROOM PERC 1CT

About the product

Enjoy cooler, smoother draws with the Hipster Glycerin-Filled Glass Straw, featuring a vibrant USA color wig wag design and a precision mushroom percolator for enhanced filtration. The freezable glycerin chamber helps significantly reduce heat, delivering a more comfortable and refined experience.

Simply place the straw in the freezer before use to activate the glycerin cooling system. Crafted from durable glass with eye-catching red, white, and blue accents, this piece blends performance with standout style.

Key Features:

- Glycerin-filled, freezable glass for superior cooling
- Mushroom percolator for smooth filtration
- USA color wig wag detailing
- Durable glass construction
- Easy to use and clean
