

## HIPSTER GLYCERIN FILLED STRAW W/ USA COLOR WIG WAG STACKABLE PERC PERC 1CT

### About the product

Cool your hits in style with the Hipster Glycerin-Filled Glass Straw, featuring a bold USA color wig wag design and an advanced stackable percolator system. Filled with freezable glycerin, this straw is designed to significantly cool smoke for a smoother, more enjoyable experience.

Simply place it in the freezer before use to activate the glycerin cooling chamber. The integrated stackable perc enhances filtration, while the eye-catching red, white, and blue wig wag adds a premium, patriotic aesthetic.

#### Key Features:

- Glycerin-filled glass for extra cooling
- Freezable design for smoother draws
- Stackable percolator for enhanced filtration
- USA color wig wag detailing
- Durable glass construction
