

MK LIGHTER JET CULTIVATION SERIES JANE 50CT/ DISPLAY

About the product

Bring style and performance together with the MK Lighter Jet Cultivation Series Jane. Featuring a powerful jet flame and eye-catching cultivation-inspired artwork, these refillable lighters are designed for reliability, convenience, and visual appeal. Their compact size and durable construction make them ideal for everyday use, while the themed designs help attract attention in retail environments. Each display contains 50 lighters in a convenient countertop presentation.
