

## MK LIGHTER JET BLACK 50CT/ DISPLAY

### About the product

The MK Jet Black Lighter delivers dependable performance in a sleek, all-black design. Featuring a powerful jet flame and compact construction, these lighters are ideal for everyday use and retail sales. Built for convenience and reliability, they offer easy ignition and a comfortable grip, making them a popular choice for convenience stores, smoke shops, and general merchandise retailers. Each display includes 50 lighters in a countertop-ready presentation.
