

ALEVE 35CT/ DISPLAY LOOSE

About the product

Provide dependable, long-lasting pain relief with Aleve. Formulated with naproxen sodium, Aleve helps temporarily relieve minor aches and pains associated with headaches, muscle aches, backaches, toothaches, minor arthritis pain, menstrual cramps, and the common cold, while also reducing fever. Packaged in a convenient 35-count retail display, it's an excellent addition to pharmacies, convenience stores, and general merchandise retailers.
