

ASH CATCHER 45° 14MM DONUT PERC 1CT

About the product

Enhance your compatible water pipe setup with the 45° 14mm Donut Perc Ash Catcher. Crafted from durable borosilicate glass, this ash catcher features a 45-degree joint angle and a built-in donut percolator designed to help filter smoke while reducing ash and residue from entering the main piece. Its compact design makes it easy to install, remove, and clean.
