

BENADRYL CHILDRENS CHERRY 4OZ BOTTLES 1CT

About the product

Give your child effective relief from common allergy symptoms with Children's Benadryl Allergy Liquid Medicine. Containing 12.5 milligrams of the antihistamine diphenhydramine HCl (5 mL), this kids' liquid allergy medicine relieves symptoms due to hay fever and other upper respiratory allergies, including runny nose, sneezing, itchy nose, itchy throat, and itchy, watery eyes. Available in kid-friendly cherry flavor, this children's allergy liquid is alcohol-free and is intended for children ages 6 to 11. Help alleviate your child's allergy symptoms with the brand moms turn to first when they first treat their children's upper respiratory allergies.
