

ELEMENTS ULTRA 1 1/2 CIGARETTE ROLLING PAPERS 25CT/PACK

About the product

- Elements rolling papers are made from pure rice paper, with a thin line of natural gum of the Acacia is added. The rice paper burns with no ash, except for the thin line of residue left from the Acacia gum caramelizing

- Elements rolling papers are very slow burning and are ultra thin. Elements have been a worldwide success, and you should find out why by trying them.
- Paper features Rolling Supreme's patented run-preventing watermark system with cross-weave patterning and vertical hard-stop lines, to keep your smokes burning slowly and evenly, every time.
