

JOB 1 1/2 CIGARETTE ROLLING PAPERS 24CT/PACK

About the product

- In 1838 Jean Bardou recognized that there was a market not being met in France. He created a pure rice rolling paper that quickly gained popularity and propelled the Job brand to worldwide status.

- Today, Job rolling papers are still made with the quality and care that Job rolling papers are known for. Made from rice paper with natural gumming, these papers are perfect to roll your favorite tobacco in.
- Easy Rolling, Have a natural gum and burn smooth and clean, Long Lasting and Smooth Burning
