

TOP CIGARETTE MACHINE 100MM INJECTOR 1CT

About the product

- For 100mm Tubes.
- Tobacco Injector Machine.

- Hand Held.
- Imported from USA.
- Compact, Hand-Held Cigarette Rolling Machine

Specially designed for injecting tobacco into 100MM filtered tubes (also known as Long/100s cigarettes).

This is a hand-held, simple to use, cigarette making machine (also called cigarette injector or cigarette roller machine). Compact, hand-held cigarette machine, made of high quality plastic. Light, and easy to use. Great for the first-time users...
