

RAW CONNOISSEUR 1 1/4+TIP ORGANIC CIGARETTE ROLLING PAPERS 24CT/PACK

About the product

- RAW organic rolling papers are a revolution. The world's first organic and vegan rolling paper is farmed using sustainable and renewable methods. They're unbleached and is processed using eco-friendly methods.

- These RAW Connoisseur come with their own tips, and the very thin and light rolling paper burns extra slow and very clean. Go organic with these RAW rolling papers!
- Papers feature Rolling Supreme's patented run-preventing watermark system with cross-weave patterning and vertical hard-stop lines, to keep your smokes burning slowly and evenly, every time.
