

RAW CONNOISSEUR KING SLIM+TIPS ORGANIC CIGARETTE ROLLING PAPERS 24CT/PACK

About the product

- RAW Organic Connoisseur King Size Slims come with their own tips, and are made of a very thin paper that burns clean and slow. It's time to go organic with these premium special-blend rolling papers.

- These truly revolutionary papers are the world's first organic and vegan rolling papers. Grown using only renewable and sustainable methods and processed using eco-friendly methods and remains unbleached.
- Paper features Rolling Supreme's patented run-preventing watermark system with cross-weave patterning and vertical hard-stop lines, to keep your smokes burning slowly and evenly, every time.
