

NEON 7X PREMIUM BUTANE 300ML 12CT/PACK

About the product

- High quality butane at a low cost

- Ultra refined for maximum care and performance
- Neon 7x has been refined multiple times to bring you a pure butane fuel

Looking for an alternative to Power 5x butane? Look no further - Neon butane contains less particles than Power 5x at an extremely competitive price. Tested by butane enthusiasts, Neon butane competes with the very best, containing 5 times less particles than Newport, Vector, King, Spark, Fasfil, Power, whip-it, and many more. Neon butane even competes with the highly popular Zippo butane, matching or even beating Zippo in PPM tests while being at a lower cost.

Features

- Has 5 various tips located inside cap
- Comparable to many other butane brands
- MUST be shipped via ground! Temperature/altitude changes are dangerous to aircraft personnel, cargo, and civilians!
