

## OCB ORGANIC HEMP 1 1/4 24CT/PACK

### About the product

Organic Hemp papers are OCB's foray into making papers made of 100% unbleached hemp. Hemp papers are very smooth smoking, with very little taste, and they never come into contact with bleach or any other chemicals. The Arabic gum strip seals easily every time. Each pack comes with 50 papers, and if you choose it, 50 pre-cut tips as well.
