

EAGLE TORCH 4" METALLIC SIDE TORCH 15CT/ DISPLAY - PT101I

About the product

The Eagle Torch 4" Metallic Side Torch is a sleek and powerful butane torch designed for precision and ease of use. Featuring a durable metallic finish, this torch offers both style and functionality. Its side-torch flame design provides enhanced control, making it ideal for various applications such as culinary tasks, dabbing, crafting, lighting cigars, and more.

Key Features:

- Compact 4" Design - Portable and convenient for everyday use.
- Side-Torch Flame - Delivers better accuracy and flame stability.
- Metallic Finish - Stylish and scratch-resistant design for a premium look.
- Adjustable Flame Control - Customize the flame for different applications.
- Windproof & Refillable - Provides consistent performance in any condition.
- Durable Construction - Built with high-quality materials for long-lasting use.
- Safety Lock Mechanism - Prevents accidental ignition for added protection.
- Versatile Use - Ideal for culinary applications, cigars, camping, DIY projects, and more.
- 15CT/ Display Pack - Perfect for retail sales and bulk purchasing.

The Eagle Torch 4" Metallic Side Torch is a reliable and stylish torch designed for both casual and professional use, offering superior performance and durability.
